

ADMIRAL JET 

## Why Fly Admiral?

Our aim is simple - to ensure that our passengers reach their chosen destination comfortably, conveniently and on time. Choosing Admiral Jet gives you access to a dedicated team of aviation professionals and some of the finest aircraft in the skies. We bring over 10 years' industry experience and a wealth of knowledge to present you the most appropriate service for your individual needs.

Because we've built strong relationships across the whole of the aviation industry and related authorities, we're able to respond quickly and efficiently to all enquiries. Our reputation is built on excellence, and we pride ourselves on treating each and every one of our passengers with respect and integrity. But most importantly of all, we deliver the personal touch, never hiding behind a website. Instead, you'll find there is always a real person to speak to, 24 hours a day, 365 days a year. .

Our reputation is  
built on excellence

## Travel in Style

Flying by private jet or helicopter is a flexible, convenient alternative to waiting in a crowded airport. It gives you the freedom to travel at a time that suits you with as little as two hours' notice and check in just 15 minutes prior to departure. With access to a fleet of over 250,000 aircraft WORLDWIDE we'll find the perfect aircraft for your needs, so you are guaranteed to arrive fresh, happy and ready the moment you land.

## 24/7 Personal Touch

We believe that the personal approach goes a long way, which is why we don't use automated messages or call centres. Choosing Admiral Jet means you'll always have access to your own personal account manager who will be happy to answer your queries any time, any place.

## Flight Safety

Flight safety is Admiral Jet's primary concern and the security, comfort and peace of mind of our clients remains at the heart of everything we do. To ensure the best possible experience for all our clients, we insist that all suppliers have full Aircraft Operators Certificate, type rated crew, and carry full public liability insurance. We also undertake rigorous checks and investigations on all private aircraft operators wishing to join our esteemed global network. To discover why so many discerning passengers choose Admiral Jet, contact us today.

Flight safety is our  
primary concern

## Worldwide Service

We can accommodate any trip, anywhere in the world. We have a network of over 20,000 Aircraft WORLDWIDE. At Admiral Jet we will use only tried and tested aircraft and crew. It may sound like a cliché, but there really is no job too big or too small. Whether you need a small helicopter to arrive at an event in style or a large aircraft for your crew movements, we're here to meet your every need.
