Motor trader reviewed & solution provided Repair and service garage under-insured

The client was under-insured in different elements of their business and these gaps were highlighted by Ascend, where they may not have been previously:

- Employers' Liability
- Property Sum Insured
- Engineering Inspection
- Single & Max Indemnity Limit of Customer Vehicles

Our clients enjoy market-leading coverage backed by carefully selected insurers who provide an award-winning claims service.

The solution:

We provided key risk management insight into the business and recommended an additional quotation. The Engineering Inspection makes sure the hydraulic vehicle lifts are checked at regular intervals and are fit for purpose.

We were able to provide a solution with an A-rated insurer, reinforcing confidence in our services from an early stage, as part of the client's Ascend journey.

"We wanted a personal broker who understood our business and could help us find the right cover."

"We were approached by Ascend face-to-face on our doorstep. They made a great first impression and we soon realised we could contact the team whenever we needed to, whether that was a late evening or a weekend."
