Specialist professional indemnity solution provided

Tax consultant obtains market solution

The client was unable to obtain affordable professional indemnity insurance due to a combination of:

- Their activities
- The appetite in the market
- The manner in how they had previously approached the market

Our clients enjoy market-leading coverage backed by carefully selected insurers who provide an award-winning claims service.

Visit Ascend Broking to find out more.

The solution:

Ascend prepared a detailed presentation and separate overview document of the industry sector to enable prospective insurers to consider the proposal.

By adopting this approach, we were able to demonstrate that the client was in the top quartile of their industry sector and provided the client with 3 options, one enabling them to improve over the competitors in the cover that they hold.

"We require very specialist insurance coverage and national brokers failed to find the correct cover for us. We were referred to Ascend and the team took considerable time to understand our business and the sector, before discussing with their longstanding contacts.

The outcome is that we have a bespoke programme and are delighted with the outcome."
