# NATIONAL INSURANCE AWARDS 2022

## COMMERCIAL BROKER OF THE YEAR

We competed and fought off some worldwide nationals and we are delighted to have been awarded this award in front of 450 attendees at The Marriott on 9th March 2022.

Managing Director Matthew Collins said: “I’m always proud when what we do is recognised, but for us The Commercial Broker of The Year is the accolade all our peers want to win. To have won this against some stiff competition is a fantastic result!”

“It’s great to be able to say that we deliver an award-winning product and service. To have told our story and achieved this in less than 5 years from our inception” says Matthew. “We know that what we do really works for businesses and now we know the industry knows it, too.”
