

Start-up of the Year

Celebrating excellence in commercial insurance

Team Ascend all dressed up for the UK Broker Awards as they win Start-up of the year!

Winner **Ascend Broking**

The judges said: Ascend Broking group have achieved impressive growth offering an alternative to consolidated brokers. The judges view Ascend as one to watch and look forward to seeing achievements in coming years.

The winning entry: The UK Broker Awards are the leading platform for national recognition within the insurance broker market. Open to personal local broker or a large regional player, these awards recognise a track record of success and the skills and expertise to grow in the coming months and years.

This category is open to FCA-regulated general insurance brokers or independent intermediaries in commercial or personal lines who received authorisation within the last three years (on or after 1 June 2015).

The judges will be looking for a business that can demonstrate success in its short lifetime.

The business may not be significantly profitable or fulfilled its objectives to date, but will need to demonstrate a plan that evidences great future potential.
